Original approval(s):
ISO 9001 - 6 May 2025

Certificate of Approval

This is to certify that the Management System of:

HYDRO Systems GmbH & Co. KG

Ahfeldstrasse 10, 77781 Biberach, Germany

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00048898

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Development, production, distribution and service of non-flying products in the business sector of ground support equipment, engine transportation equipment and tools for airframes and engines.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 9001 approval on 22-AUG-2024, SGS System Certification certificate number DE19/819944357

Marta Escudero

Regional Director, Europe

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
